

CONVICTIONS

PROJECTS

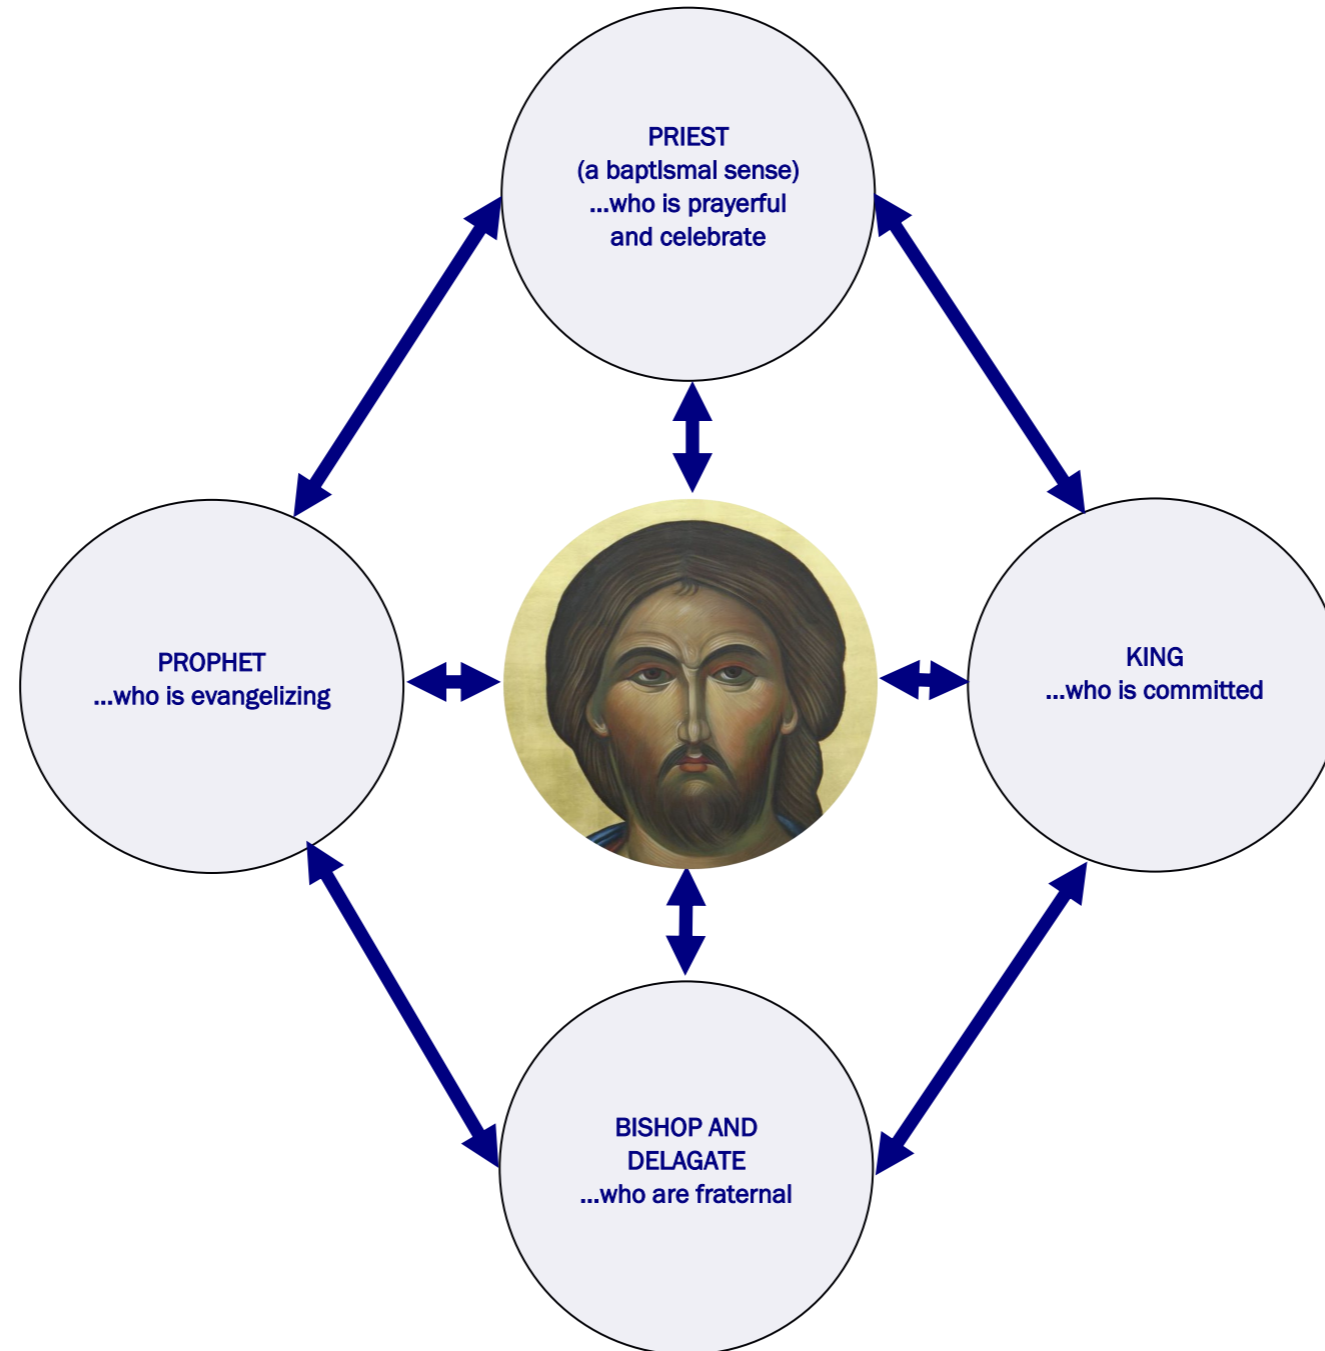

3 ELEMENTS OF THE VISION OF THE CHURCH

►convinced that each team carries within itself the resources and dynamism necessary to assure the mission....

►assured that the Holy Spirit dwells in all the baptized and works to bring to fruition those charisms necessary for a new evangelization...

► The Holy Spirit is the very breath of a community, which allows itself to be inspired by him, and draws from the source of the Word of God and Eucharist.

• **An Evangelizing Church**
...where our Christian communities are invited to develop new ways to be present in the world — given the priority of the Gospel and their commitment to justice and peace

• **A Fraternal Church**
