SOMETHING TO THINK ABOUT...

To pray for a person with whom I am
irritated is a beautiful step forward in
love, and an act of evangelization.
- Pope Francis (The Joy of the Gospel)

POPE FRANCIS' MESSAGE

*“To contemplate is to gift oneself with
time to be silent, to pray, to restore
harmony, the healthy balance between
head, heart and hands, between
thought, feeling and action, to the soul.
Contemplation is the antidote to hasty,
superficial and inconclusive choices.
Those who contemplate learn to feel
the ground that sustains them, to
understand that they are not alone and
without meaning in the world. They
discover the tenderness of God's gaze
and understand that they are precious.
Everyone is important in God's eyes.
Those who know how to contemplate
do not remain with their hands in their
pockets, but instead find something
tangible to do.”*
