

## SPECIAL ANNOUNCEMENT

Thursday, December 30, 2021

Following the press conference of Mr. François Legault, Premier of Quebec, in view of the current "extreme" situation of Covid-19, given the high number of people infected by this virus, extreme measures are necessary.

Thus, places of worship will be closed from the morning of December 31, 2021, until further notice, except for funeral celebrations that remain possible for 25 people, with the vaccine passport.

Social coherence and fraternal charity oblige us to live these difficult times in an extraordinary solidarity, in order to contribute to a harmonious living together and a state of health favourable to all.

May the Lord accompany us with his faithful presence and give us the light and hope of a better situation in 2022.

+ Noël Simard

Bishop of Valleyfield
